FISHWIFE

Fishwife is the London based womenswear label of Sasha Jackson and Rachel Whittington. The Savile Row trained duo met whilst working in bespoke tailoring and soon discovered a shared aesthetic, outlook and a passion for fine craftsmanship. Together they create collections that celebrate skill, technique, tradition and experimentation.

Fishwife is luxury wear. The materials are sumptuous; silks, densely piled velvet, fine wools and bespoke gold finishing. The look is confident, elegant and in keeping with the duo's ethos of flattering and enhancing the female body; courtly dressing re-imagined with a modern sensibility and a contemporary silhouette.
